## Cookies

---

This website uses cookies on some pages.

Cookies are information files that are saved in your browser when you access a website, and they do not contain any personal information.

We use cookies to provide the content that is most suitable for you when you visit this website and to gauge the status of access by our users.

We may also use cookies to deliver advertisements using the advertising services of advertising delivery service providers.

You can disable the use of cookies by adjusting your browser settings.

## Collection of Access Logs

---

This website uses Google Analytics to collect and analyze access logs.

Google Analytics uses cookies to collect data.

Access logs obtained through the use of Google Analytics are managed in accordance with the Privacy Policy of Google LLC. For details of Google LLC’s Privacy Policy, please refer to the page “How Google uses data when you use partner sites or apps” (<https://policies.google.com/technologies/partner-sites/>).

This website may use the following advertising capabilities provided by Google Analytics.

- Google Analytics remarketing
- Google Display Network impressions chart
- Google Analytics reports related to user attributes and interest categories
- Integrated services that require Google Analytics to facilitate the collection of data for advertising placement purposes (including the collection of data using advertising cookies and identifiers)

This website and third-party delivery service providers, including Google LLC, use first-party cookies (such as Google Analytics cookies), a combination of first-party IDs and third-party cookies (such as DoubleClick cookies), or other third-party IDs to analyze the attributes, interests, and concerns of users who visit this website.

You can disable these functions by either disabling cookies in your browser settings or by using the Google Analytics Opt-out Browser Add-on (<https://tools.google.com/dlpage/gaoptout/>).
